

**RHODE ISLAND WORKERS' COMPENSATION HOSPITAL RATES**

The inpatient, emergency room and ambulatory surgery adjustments to charges are effective for all hospital services provided on or after July 1, 2008.

HOSPITAL CHARGES SHOULD BE MULTIPLIED BY THE APPROPRIATE PERCENTAGE LISTED BELOW.

|          |                 |                                  |
|----------|-----------------|----------------------------------|
| Example: | \$1000.00       | Butler Inpatient Charge          |
|          | x <u>50.22%</u> | Inpatient adjustments to charges |
|          | \$ 502.20       | Amount Paid                      |

| Hospital          | Inpatient Adjustment to Charges | Ambulatory Surgery Adjustment to Charges | Emergency Room Adjustment to Charges |
|-------------------|---------------------------------|--|--------------------------------------|
| Butler            | 50.22%                          | N/A                                      | N/A                                  |
| Kent County       | 44.67%                          | 40.40%                                   | 35.45%                               |
| Landmark          | 42.21%                          | 41.89%                                   | 31.25%                               |
| Memorial          | 59.68%                          | 42.96%                                   | 83.14%                               |
| Miriam            | 39.09%                          | 23.75%                                   | 16.79%                               |
| Newport           | 71.67%                          | 43.57%                                   | 72.40%                               |
| Rhode Island      | 47.28%                          | 43.56%                                   | 35.99%                               |
| RI Rehab Hospital | 57.04%                          | N/A                                      | N/A                                  |
| Roger WMS.        | 60.54%                          | 44.44%                                   | 25.77%                               |
| St. Joseph        | 38.79%                          | 36.57%                                   | 22.10%                               |
| South County      | 77.40%                          | 44.90%                                   | 35.15%                               |
| Westerly          | 62.14%                          | 32.15%                                   | 29.57%                               |
| Women & Infants   | 47.12%                          | 53.06%                                   | 100.00%                              |

Rates are based on approved cost finding methodology and other statistical data furnished by each hospital through the Hospital Association of Rhode Island for the period indicated.

All other outpatient services are subject to the rules and rates of the Rhode Island Workers' Compensation Fee Schedule.
